

# Contractors & Consultants

This information is provided with the intent of stimulating activity in forest management. No endorsement or recommendation is implied in providing this information. Southwest Oregon Resource Conservation and Development Council and partners associated with the publication of this document do not guarantee or warranty the contractors listed nor the authenticity of any statements provided by private parties for this publication. References to the listed contractors does not signify our approval to the exclusion of other contractors. The reader is encouraged to follow recommendations for selecting and hiring contractors: verify documentation, check referrals and evaluate previous work.
